

Moritz Grenz

Tight wire - Artist Moritz Grenz takes us on a journey into his universe. He is challenging norms and asking political questions.

The circus piece "Heaven is a place on earth" is a search for identity. The performer, Moritz Grenz, moves between the worlds of poetic clowning, gender definition, tight wire dancing and political subjects without any hesitation. With a lot of energy and a good eye for details, Moritz Grenz takes his audience and on a trip full of excitement and surprises.
